

Lewes Subud Centre

Simple, attractive rooms to hire for groups, workshops and classes in the heart of Lewes, East Sussex

The Lewes Subud Centre

The perfect venue for workshops and groups in Lewes

The centre has two halls and a meeting room, with good kitchen facilities and a courtyard garden.

It is a two minute walk from Lewes Railway Station, halfway up Station Street as you walk towards Lewes High Street.

Lower Hall

This lower hall is a large, well proportioned ground floor room. It is flooded with natural light from the glass lantern in the centre of the ceiling.

There are 20 chairs and two large tables, plus two carpets that can be rolled back if a wooden floor is needed.

The hall measures approximately 12.2m x 7.5m (88sq m) or 40' x 23'6" (950sq ft)

Meeting Room

This smaller, more intimate first-floor room is ideal for small meetings or one-to-one therapy sessions. With four large comfortable chairs, and four folding canvas chairs, the room can easily accommodate up to eight people (and up to 12 if using the folding wooden chairs).

The room is 4.6m x 4.2m, with a total area of 19.3m².

Upper Hall

This light and airy first-floor room has excellent acoustics, polished wooden floorboards and a carpeted foyer area.

The room is 6.7m x 4.6m, with a total area of 30.8m².

Courtyard Garden

The lower hall opens out to the small courtyard garden, with grassy lawn, pot plants and shrubs, which provides a breath of fresh air when needed.

Kitchen

The ground floor kitchen is modern, clean and bright. It can be used free of charge for light refreshments. When used for catering there is an additional charge. The kitchen is well-equipped with crockery, glassware, mugs and so on.

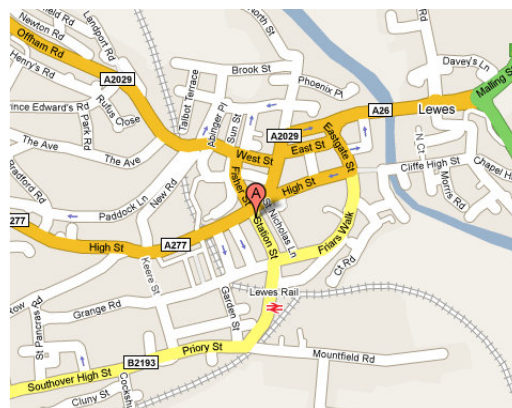

Location

Halfway between the railway station and Lewes High Street, at no 26a Station Road, Lewes, BN7 2DB.

Parking

Unfortunately there are no spaces on site at the Lewes Subud Centre. However there is ample parking at the railway station car park just two minutes walk away, and on-street pay and display parking in the surrounding roads - your best bet is on Southover Road which runs east-west just to the south of Lewes Subud Centre.

Train - Lewes Train Station

Buses from Brighton: 28, 29, 29A, 29B, 29C, 472, N29
